### Response to Amendment

1. The replies filed on Oct 16, 2007 and Nov 1, 2007 are not fully responsive to the prior Office Action because of the following omission(s) or matter(s): (a) the amendment presents newly added claims 139-147, but fails to explicitly identify the species to which these claims are directed (a sub-species election requirement has been withdrawn, however the species requirement has not), and (b) the separate patentability of newly submitted claims 139-147 over the previously pending rejections is not discussed. These new claims do not appear to be mentioned in any way in any of applicant's responses, including the initial remarks which refer only to claims 108-127 and 129-138. See 37 CFR 1.111. Since the above-mentioned reply appears to be *bona fide*, applicant is given **ONE (1) MONTH or THIRTY (30) DAYS** from the mailing date of this notice, whichever is longer, within which to supply the omission or correction in order to avoid abandonment. **EXTENSIONS OF THIS TIME PERIOD MAY BE GRANTED UNDER 37 CFR 1.136(a).**

2. Any inquiry specifically concerning this communication or earlier communications from the examiner should be directed to F. Vanaman whose telephone number is 571-272-6701.
